### Message from the Head of School

We are almost at the end of another eventful week. Our photos this week give you a flavour of our new middle school students as well as early years children involved in learning. There is also a spotlight on Physical Education with the first Football Passion ECA session and lessons from Tom Horwat, our PE Teacher. Coach Horwat has been teaching a unit on the development of key motor skills that can be used in games to play at breaktimes!

### PE

On Tuesday we invite interested parents to an informal coffee morning session in the library when we will share with you some of the events up and coming for the school year, and areas of school life in which we welcome parent volunteer help. Please email Wendy on [admin@owis.org](mailto:admin@owis.org) if you would like to attend.

### Teacher/Parent Consultations

To help us plan for individual and confidential teacher parent consultation meetings (20<sup>th</sup>/21<sup>st</sup> September) please complete the reply slip with this letter with your preferred time slot for an appointment. We will then schedule you for a 15 minute timeslot to meet with your child's teacher. We aim to schedule sibling timeslots close together.

Whilst later in the academic year we invite children and parents to meet in a 3 way conference, these Teacher/Parent consultations are confidential meetings so please make suitable arrangements for the supervision of your child/ren. In cases of difficulty please don't hesitate to contact us at [admin@owis.org](mailto:admin@owis.org) so that we can see if we can help you in any way.

### Your contact numbers and email address - IMPORTANT

Please ensure you have returned the data check form and updated us on your mobile number and email address.

Next week we will be preparing Class Network Contact lists which will include the mobile number and email address of the mother or main guardian of each student in the class and the name of the class link parent. This will be distributed to the parents of all children in that class.

We will also be inputting both parents email addresses on our database so that both will receive the weekly newsletter by email as well as printed copy.

Please contact us on Monday 5<sup>th</sup> September if you have any concerns about the use of your contact details as above.
